

Dear Committee Chair and Members,

I am writing as a woman, a grandmother, a mother, and a contributing member of our economy and society. I am not sure why we are still debating the EQUAL RIGHTS AMENDMENT, but we are and so I want to say loudly and clearly that I support HF 173 and HF 197!

It is late, but as the saying goes, better late than never and NOW is the time to pass the ERA!

Thank you,

Nancy Jost
